

GRADE 1 / 2 MY AWESOME COMMUNITY

HOME LEARNING

1. Knowledge/ Comprehension

- Name 8 occupations that people have in our community. Describe 3.
- List reasons why people work.
- Prepare a talk explaining the type of work done by your parent(s).

3. Analysing

- Survey the types of work done by parents of children in the class. Graph the result.
- Make a list of the occupations which provide goods & services to your community.
- Write the steps involved in becoming a circus performer.
- Write an advertisement for an occupation & the types of activities that the work will entail. List the qualification needed for the work.

2. Application

- What occupation would you like to be involved in when you grow up? Why? Draw yourself doing the work and talk to the class about your choice.
- Using play dough, make a model of tools or instruments used by people in their work. Label your tools & instruments & describe how each is used.

Home Learning

- Choose & highlight one dot point from any section for your Home Learning Presentation each week.

5. Creating

- Write a poem about an occupation. Read it to the class.
- Pretend you are grown up. Choose an occupation in which you would like to be involved. Imagine it is your first day in this occupation. Write about your feelings as you start work.
- Imagine you visit another planet where there are aliens. Describe & illustrate two jobs in which these aliens are involved.

6. Evaluating

- Why is it important to be involved in an occupation you enjoy?
- Is it appropriate for machines to be involved in some jobs? Why or Why not?
- Are some occupations more important than others? List them & tell why this is so.
- If you were the Principal at Sorrento Primary, what rules would you introduce?
- Write a report on how well the gardener maintains your local park.
- Write & roll play a scene from 'Cloudy with a chance of Meatballs', which takes place in Sorrento.
- Write a letter to convince someone to visit Sorrento Front and Back beaches.
